Public Notice #06-025-CO-M/TVRE

Date: April 6, 2006

NOTICE OF A DRAFT CONSTRUCTION PERMIT AND A DRAFT PART 70 AIR QUALITY (TITLE V OPERATING) RENEWAL PERMIT

**MILLIKEN & COMPANY (PENDLETON FINISHING PLANT)
200 EXCELSIOR MILL ROAD
PENDLETON, SOUTH CAROLINA
(ANDERSON COUNTY – REGION 1 ANDERSON EQC OFFICE)
AIR PERMIT NOS. 0200-0011-CI & TV-0200-0011**

Milliken & Company (Milliken) has applied to the SC DHEC for a construction permit to establish federally-enforceable Hazardous Air Pollutant (HAP) emission limits at its existing Pendleton Finishing Plant. A draft construction permit and engineering calculation sheets have been written by the BAQ outlining the facility's proposal and applicable regulations. If approved, this permit will enable the facility to operate in compliance with State and Federal Air Quality Regulations.

Operations at the Pendleton Finishing Plant include dyeing and finishing of polyester fabrics. Emissions generated by this facility include Particulate Matter (PM)/PM less than 10 Microns in Diameter, Sulfur Dioxide, Nitrogen Oxides, Carbon Monoxide, Volatile Organic Compounds, and HAPs. Milliken is requesting that federally enforceable, facility-wide limits of less than 10 tons per year (TPY) of any individual HAP, and less than 25 TPY of any combination of HAPs, be established with this permit, thereby enabling the facility to limit its potential to emit to below applicable Maximum Available Control Technology (MACT) Standards as defined by Title 40 of the Code of Federal Regulations, Part 63, "National Emission Standards for Hazardous Air Pollutants for Source Categories." If approved, there will be no new construction, physical modifications, or emission increases from sources at the facility as a result of this proposal.

DHEC has also received a Title V Operating (TV) Permit Renewal Application from this facility. A TV Renewal Permit (TV-0200-0011) has been drafted by the BAQ that will allow the facility to continue to operate as a major source under the requirements of this permit in accordance with SC DHEC Regulation 61-62.70 "Title V Operating Permit Program." If approved, this permit will supersede the existing TV permit issued to this facility on April 4, 2001, and will enable the facility to comply with applicable State and Federal Air Quality Regulations when operated in accordance with the conditions contained therein.

All emission limitations and conditions contained in the draft construction permit and draft TV Renewal Permit have been written to ensure that this facility continues to operate in accordance with the requirements of the SC Title V Operating Permit Program. The pollutant limitations and other permit conditions set forth in the draft permits have not yet been approved and are open to comment from the public and the United States Environmental Protection Agency (EPA).

Interested persons may review the materials drafted and maintained by DHEC for this facility and submit written comments on the draft permits by May 5, 2006 to Ms. Jo Anna Cunningham at the above DHEC address. All comments received by May 5, 2006 will be considered when making a final decision regarding the draft permits. Where there is a significant amount of public interest, DHEC may hold a public hearing to receive additional comments. Public hearing requests should be made in writing to Ms. Donna Moye at the above DHEC address or by e-mail at: moyedd@dhec.sc.gov. If a public hearing is requested and held, notice will be given in this publication thirty (30) days in advance. A request for a contested case hearing may be filed after a final decision has been made. Contested case information is available from the Office of General Counsel at the above DHEC address or by calling (803) 898-3350. Information relative to the draft permits will be available for review through May 5, 2006 at the DHEC Columbia Office listed above and at the following location:

SC DHEC, Region 1 Anderson EQC Office, 2404 North Main Street, Anderson, SC 29621 at (864) 260-5569

The BAQ maintains a county based mailing list for persons interested in receiving notification of BAQ public notice actions. If you would like to be added to this list, please submit a request with your name, address, and counties of interest to Donna Moye at the above DHEC address or e-mail. Information on permit decisions and hearing procedures is available by contacting DHEC at either

address listed above. Copies of a draft permit or other related documents must be requested in writing at a \$.25 per page charge.

Please bring this notice to the attention of persons you know will be interested in this matter.
